Number 15

Gus Anderson Appointed As New Athletic Commissioner

Gus Anderson, Salinas freshman, was appointed commissioner of athletic at Monday's meeting of the ASB commissioners after Jim Belcher tendered a written resignation from the office.

President Rene Eris made the appointment after reading Belcher's resignation and upon recommendation of G. Ed Adams, athletic director. Belcher attributed his decision to an overload of work.

Vice President Frank Sherrill, chairman of the constitution revision committee, circulated among the commissioners the proposed constitutional amendments for the March ballot.

To Abandon Office

The amendments call for the abolition of the office of Inter-Club council representative, creation of the office of bookstore commissioner, and setting the number of rally girls at six and stipulating a "C" average for all members.

After an explanation of each amendment, Sherrill added that the proposed changes would effect changes in the Rules of Order which don't require student body voting for alteration. The Rules of Order will add "president of Inter-Club council" to the duties of the vice-president, and will make the head yell leader responsible for assisting the commissioner of rallies and assemblies in exercising his official duties.

Four delegates were elected to the California Junior College Student Government association spring convention in Catalina Apr. 26, 27, 28. They are Eris, Bob Barber, finance commissioner; Marilyn Ingols, secretary; and Shirley Hennigan, sophomore representative. Next year's student body president, to be elected next month, will also be a delegate.

Sign-ups Sought

President Eris also announced that a sign-up sheet was posted in the commission office for all those

(Continued on Page 3)

Newman Club To Sponsor Dinner

The Hartnell college Newman club will sponsor a spaghetti feed in the home economics living room on March 12, it was made official this week by Maureen Slattery, club president.

Admission price has been tentatively set at 50 cents and is subject to change. Starting time is 12 noon and the last meal will be served at 1 p.m.

Marietta Gonzales, club treasurer, is in charge of arrangements.

Three Hartnellites Have Petitions Out For Elective Jobs

On Tuesday of this week, only three petitions for student body positions had been taken out and George Dudley's was the only one completed.

Dudley, an engineering major from Salinas, is running for president of the Hartnell student body. He has been very active in school affairs, having been a member of the commission this year as president of the sophomore class.

Last year he was manager of the track team and participated in many club activities.

The other two prospective candidates are Roland Young, Gilroy, for vice-president of the student body, and Charles Baymiller, Salinas, men's representative.

Young Was Drum Major

Young is well known around Hartnell for his activities as head drum major while Baymiller served on the finance committee.

Today is the last day for taking out petition, according to Frank Sherrill, head of the election com-

(Continued on Page 3)

Hartnell Assembly Is Well Received

The assembly which was held Friday at one o'clock in the Little theater found great interest among Hartnellites. The main attraction, a preview of the band which will play at the next dance, featured the Bill Baird quintet. Singing were Jeanne Robertson and Carol Bernasconi. Miss Robertson sang "Woman in Love," and Miss Bernasconi sang "Blue Moon."

Following these acts were others by: Jerry Radvich, who did pantomime impersonations; the Harmonettes, who sang "That Ol' Feeling" and "You Made Me What I Am," with the help of Harry Singh; and George Andrade, who sang two western folk songs. Singh played the role of a drunk in the Harmonettes' second number.

Sadie Hawkins Day May Be Cancelled If Interest Lags

Years of Hartnell tradition may be broken with the absence of "Sadie Hawkins" and "Mammy Yokum" if Hartnell women don't attend the AWS meetings so that plans can be gotten under way for the annual April event. All women students are asked to attend the next meeting Tuesday noon.

Plans for Sadie Hawkins' day were hampered at the meeting held this week because only a few members were present.

Traditionally scheduled for the day, when all students don their Dogpatch clothes, is an entertainment assembly. The day will be climaxed by a dance that evening.

Merri Irving was appointed to be in charge of the Sadie Hawkins assembly and to cover the publicity for the event. Doranne Woods and Myrna Bradley will head the refreshment and cleanup committee, and Doris Kitamura and Carlina Galicia will head the ticket committee.

Marine Corps Will Interview Students

A U.S. Marine Corps officer procurement team will be on the Hartnell campus March 9 to interview interested college students in regard to a commission.

According to the officer procurement office, a commission can be obtained by students via the platoon leader's class, an in-college training program that leads to an officer's rank in the marine reserves after graduation from an accredited four-year institution.

The program takes in two six-week summer training sessions at the Quantico, Va., marine corps schools.

Modern Dancers To Go To Asilomar

Hartnell girls enrolled in modern dance classes will travel to Asilomar April 3 to attend the first Monterey Peninsula Children's Festival featuring Virginia Tanner and her company of dancing children from Salt Lake City, Utah. Miss Tanner's dancing group is worldwide recognized for their performances.

The Hartnell group, accompanied by its instructor, Mrs. Jack Midgough, will travel by bus to attend the afternoon presentation.

Gregory Millar Will Conduct Both Groups

Hartnell college choir will give the west coast premier performance of the "Easter Cantata" by Alan Hovhaness with the Little Symphony of San Francisco at San Francisco and Berkeley early next month, Vahe Aslanian, choir director, announced today.

Aslanian says this is the first time a junior college choir

has performed with the Little Symphony. The opening performance will be given at the Berkeley Little theater March 9 and will be carried on FM radio. The second performance will be March 14 at the Veteran's auditorium in San Francisco. Both will be evening programs.

Aslanian previously announced his choir will perform March 21 and 22 with the Monterey county symphony orchestra. These performances will be in addition to the San Francisco and Berkeley performances. The March 21 program will be in the Salinas Union high school auditorium, and the March 22 program in the Sunset auditorium in Carmel.

Suggested by Gregory Millar

The programs were suggested by Gregory Millar, conductor of both orchestras. Millar approached Aslanian early this year suggesting the programs with the Monterey county group. Aslanian agreed, and suggested the "Easter Cantata." Millar visited Hartnell recently to hear the choir rehearse and the San Francisco and Berkeley performances, although the choir and orchestra will not rehearse together until the afternoon of the first program. Aslanian will direct the choir and orchestra in the performances with the Monterey county symphony.

Dorothy Renzi, San Francisco soprano, will be the soloist at the four performances. She has been invited to come to Salinas to rehearse with the choir.

Combined Rehearsals Planned

Aslanian said it is not unusual for professional conductors to rehearse separately with a choir and an orchestra, then put the two together for a final performance. He does plan a couple of combined rehearsals with the Hartnell singers and the Monterey orchestra.

The cantata was composed by Hovhaness in five days in 1953. It is dedicated to Oliver Daniels, and was made up for an overture, a soprano aria, a chorus and soprano solo, a soprano aria and a chorus. It is scored by two oboes, two horns, a harp, a celesta, a tam tam and a string orchestra.

Frank La Macchia Will Manage Store

Frank LaMacchia will be the student book store manager for next year. He was named and approved for the position at a recent meeting of the book store committee, Mr. Claude Addison, advisor to the group, announced. Frank is currently working in the book store in the bookkeeping department.

Band Program Slated Today

Solos by Sam Walters and Constancio Gionson and a duet by Gionson and Allen Plake will highlight the concert band program which will be given in the Men's gymnasium at 11 a.m.

Lorell McCann, band director, announced that Gionson will play a cornet solo on "Trumpeter's Lullaby," by Leroy Anderson, while Gionson will join Plake in a cornet duet on the "Pals' Polka" by George D. Barnard. Walter's tuba solo will feature the "Stupendo Bass Solo" by Al Hayes.

The concert will open with the "Great Century," a march by Ernest Weber, which will be followed by "The Witch of Endor," an overture by R. E. Hildreth.

Machado Leads Band

Other numbers include: "Guys and Dolls Selection," by Frank Loesser; "Jota," a Spanish dance, by E. Granados; "Prairie Lament," by Harold Walters; "The Rosary," by Nevin-Walters; "Sunlit Summits Overture," by Gene Ogden, and the "Men of Valor March," by John N. Klover. The latter will be directed by Alfred Machado.

Other members of the band include: Richard McGlashan, Chester Amyx, Walter Dodd, Don Whitman, Larry Roekner, Mr. Wilbert Robinson, James Carley, Leland Dast, Dr. Jerome Holmes, Roy Bayford, Grey Whipple, Charles Bevans, Richard Binsacca, Marilyn Wagner, Sanaye Ohashi, Robert Endersby, Patrick Ruiz, Esperanza Loya, Terry Wolf, Alejo Africa and Don Cardno.

Positions Offered To College Pupils

Information, booklets and application blanks for all types of positions at summer camps are now in the placement bureau. Mrs. Anne Harper will interview all students who are interested in working in summer camps.

There is a directory placed in the placement bureau for the benefit of all students. This directory lists camps by the states and shows the type of positions available, where to apply and the dates for filing applications. Notices will also be placed in the hall for additional information.

Assembly Conduct Stirrs Comment

As most Hartnellites well know, the assembly last Friday was a great success. Both college and town talent cooperated in putting on a good show. There was one thing that marred the enjoyment of many, though. That was the immature behavior of some of the audience when they drowned out some of the entertainment completely.

Why do some college people act like eighth graders? That was a question that probably occurred to many of the spectators of the show. Why, when a number of people give their time and effort to entertain the student body, do certain members of this student body try to ruin the show?

Is it because these people didn't like the show? Even if they didn't it is obvious that common courtesy would have prompted them to at least let the rest of the audience enjoy it.

Or have they any common courtesy?

Is it because they are the kind of people who have to be the center of attraction at all times and resent anyone taking attention away from them?

Then why don't they get up on stage and do something worth while? They might be just immature people who enjoy acting like eighth graders. In college the teachers don't watch them every minute as they did in the eighth grade.

Why don't they quit school then and go somewhere where they can act like eighth graders and it won't bother anybody? (J. L.)

Small Stage Doesn't Cramp Little Theatre Performers

By
MRS. MARJORIE HITCHCOCK

Feature the predicament of a dramatics instructor whose leading lady comes down with the measles a day or so before "Antigone" is to open. Or whose leading man breaks a leg the day before opening night of "Therese."

These are but two of the major catastrophes which have confronted Hal Ulrici during his eight years as head of the dramatic art section of Hartnell college.

"No Way Out," which the Hartnell college-community players will present on two week ends in March, March 16-17 and 23-24, will be the fortieth production under Mr. Ulrici's direction. In former years the players did five plays during the college year; now they do four, plus a summer production.

Stage Is Small

That the players achieve such polished and professional performances is a tribute to the skill and ingenuity of Mr. Ulrici, and to the stamina of his players. Facilities are limited, and the name of the Little theater is literally true—the stage is only twenty feet square. The back of the sets is usually the back of the theater, and an actor going off the right-hand side of the stage must cover a regular obstacle course to get back on the stage from the left-hand side.

It used to be that the actor had to go down the stairs at the side of the stage, out the exit, through the yard, climb up a ladder and through the window into the kitchen of the home economics department, go out into the hall, and finally he would arrive at the left-hand entrance of the stage. A Shakespearean production during a rainy and stormy night was the "last straw" for this procedure—the actors got too wet and bedraggled during the performance.

Mr. Ulrici thought of the trap doors people cut in their garages so their dogs and cats can go in and out and he had a similar one cut in the back of a closet backstage. Now the actor merely has to crawl through that into the home economics kitchen, go down the hall, and enter the theater again. Of course, if he must be back on stage right away, he still must do some fast knee and foot-work.

Stage Sets Easier

The matter of stage sets is also easier now. In former years Mr.

Ulrici often had to design and build the sets and props all by himself, and he has spent hours and hours hammering, sawing and painting, often until the wee hours of the morning. Now, since the college is much larger, he has stage crews to help.

A "statue" still stands on a pedestal at the back of the theater as a relic of those days. It was constructed by Mr. Ulrici, with the help of Leon K. Amyx of the art department for the production of "The Miser," and it has a secret compartment in its stomach where Moliere's character kept his hoard.

Of the thirty-nine plays which Mr. Ulrici has produced, he has five favorites: Euripides' "Medea," because it is such heavy drama, because of its classical costumes, and because of the opportunity it offers for research and understanding of the Greek people five centuries before the birth of Christ; "The Taming of the Shrew," because any Shakespearean play is a challenge and this one required staging so many players all over the theater; "Angel Street," by Patrick Hamilton, because of its plot, its suspense, and its characterization; Kao-Tong-Kia's "Lute Song" because the Chinese play offers such a new and different type of drama, and because it gives such a keen insight into the Chinese culture and background; and the anonymous medieval morality play, "Everyman," because of its antiquity and survival through the ages.

Mr. Ulrici received his master's degree in speech and drama from the College of the Pacific. He is married, and has two boys, both of whom have appeared in the players' productions.

Males May Delay Military Induction

Young men 17 to 18½ years of age may enlist in the army or air national guard and receive deferment from military service while they complete their education, according to a letter received this week by College President Stuart Dufour from Maj. Gen. Earle M. Jones, adjutant general for California.

Under the program, a young man may serve in the guard at home and be deferred until he is 28, or he may reduce his reserve obligation to eight years by serving six months active duty. This permits young men to remain at home while completing their military obligations and their education.

Flying Club Sees Movie on Landing

The Flying club presented a film on instrument landing recently.

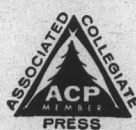

The film was taken at Arcata, Calif., foggiest airport in the United States and demonstrated techniques and procedures used by pilots in making instrument landings in foul weather. It showed the ground controlled approach method used by the navy and air force and the instrument landing system used by the airlines.

Approximately 20 persons attended the movie.

A college boy is a magical creature . . . you can lock him out of your heart, but not out of your bank account. You can get him off your mind, but you can't get him off your expense account. He is a no-account, girl-chasing bundle of worry. But when you come home at night with only the shattered pieces of hope and dreams, he can make them seem mightily insignificant with four magic words: "I flunked out, Dad!" (ACP)

THE COOL AND QUIET

By JOHN LAUE

Here we are back after a week's absence to get the jazz ball rolling again. Did you know that several jazz personages have been given the green light by the state department to conduct a goodwill tour of Europe? It seems that through jazz, America has been able to spread much good will to the countries across the sea.

Also, since we wrote about the movie, "The Man With the Golden Arm," it has come to Salinas and turned out to be the very entertaining story of a poker dealer who turns dope fiend, instead of that of a jazzman. Although this was somewhat of a surprise to us, the background music was still terrific.

And speaking of movies, "The Benny Goodman Story," although a bit overdone in places, has some of the best music in it to be heard in years. The Goodman quartet, consisting of Goodman, clarinet, Lionel Hampton, vibes; Teddy Wilson, piano, and Gene Krupa, drums, a wonderful example of good music that will never grow old. Some of the sparkle is gone, of course, with the advanced age of the musicians, but their wonderful spirit and unity lives on. Probably no matter how many different styles of music come up in the next twenty years, the Goodman quartet will still be just as listenable then as it is now.

By the time this paper comes out many Hartnellites will have been to the jazz show at Fort Ord. The show looks to be a good one from here, featuring Shorty Rogers and his Giants, the Maynard Ferguson quartet, and a rhythm and blues outfit.

The Hartnell Jazz club will meet Monday at noon in room 9. Everyone interested is invited. Purposes, methods, and composition of the club will be determined at the meeting if enough show up.

We have heard a lot of people say they were interested in jazz and had gone to the local concerts. Let's get together and see if we can get a discount on them! Next attraction at the Sunset auditorium will be Sarah Vaughn. We hope that by the time Sarah gets on stage Hartnell Jazz club members will be able to get cut prices.

Track Practice Commences; Harts Weak In Weight Events

A squad of more than 20 candidates reported to Coach G. Ed Adams Monday as formal track practice got under way at Hartnell college. Various members of the squad had been working out on their own for several weeks while Adams was busy with basketball.

Susumu Matano, Watsonville letterman, heads the list of three top candidates in the 100 yard dash. Others are Nathan Olivas, Gilroy and Ray Perez, Gonzales. The latter broke records in the 100 and 200 yard dashes during his high school career. The same trio will compete in the 220 yard dashes.

Dick Casper, Salinas sophomore who holds the northern California junior college 380 record, heads the list of 440 and 880 yard dash candidates. Others are Everett Alvarez and Ricky Axe, both Salinas; Lauren Thomas, Watsonville and Larry Butts, Placerville.

Bond Forms Team

Wes Bond, holder of the two mile record in northern California junior college competition, will team up with his twin brother, Les, in the mile and two mile run. The Salinas speedsters will be aided by George Harris, Wellsville, Mo., Bill Mennitti, Monterey and Henry Mazzucotelli, Salinas.

In the hurdles, Adams is hoping for big things from Gerald Radvich, Watsonville freshman. Other candidates are Bob Stevens, Jerry Morgan and John Vear, all Salinas.

Only candidate in the weight department so far is Mervin Anderson, 205-pound Salinas freshman, who has shown great promise with the shot put. He will also throw the discus.

Ron Critchfield, ace of the Panther basketball team and a 22 foot broad jumper at Salinas Union high school, will join Morgan, Hartnell's top broad jumper last season. Bob Woodring, another Salinas letterman, will give the Panthers added strength in this department.

Three newcomers will be competing in the pole vault. They are Bill Rodriguez, Roy Davis and Melvin Kelly, all Salinas. Larry Sale, Gonzales, Stevens and Harry Tomlinson, both Salinas, and John Curtis, Watsonville, are the high

Maj. Wilson Attached To Ord Reserve Unit

Maj. Curtis M. Wilson, an instructor at Hartnell college, has been attached to the 6211th army reserve unit at Fort Ord for training purposes.

Major Wilson was commissioned in the organized reserve corps in 1948.

HARTNELLITES . . .

(Continued From Page 1)

All candidates for the various offices must have a petition with 50 signatures of student body cardholders in the hands of Dr. William J. McCallum by 4 p.m. today.

"Students are reluctant in taking out petitions and running their favorite candidates for office, but they are not reluctant in complaining about the operation of their student government," Sherrill said.

Candidates for 9 offices will appear on the ballots to be cast on March 12 and 13. Runoff elections will be held March 15 and 16.

jumpers.

Hartnell opens its season with San Jose J.C. here March 10.

Art Club Sponsors Outstanding Film For Student Body

"The Quiet One" a feature length motion picture produced by Sidney Meyer and narrated by Gray Merrill, was shown in room 6 Monday and Tuesday. The award winning film about a boy who drifts into delinquency and is sent to rehabilitation school was presented by the art department and the Art club in association with the Salinas Public Library film lending service.

This film was one in a series being presented this year at Hartnell as a part of the Art appreciation course, and it is being shown as an illustration of the art of motion picture.

"The Quiet One" was awarded the First International award at the Venice Film Festival, and was named one of the ten best of the year by Time magazine.

Personality Class Hears Specialist

Members of Miss Gladys Schmidt's personality and dress class heard a discussion of hair styling given by Mrs. Mary Quinlan Tuesday.

Mrs. Quinlan, who last year won first prize in her district for hair styling at the San Francisco contest, talked on all phases of hair styling, including characteristics, care and cutting.

She brought a model to demonstrate methods and used students in the class to point out some of the different aspects of hair dressing.

ANDERSON . . .

(Continued From Page 1)

interested in attending the one-day northern district convention at Sacramento on March 17. He stressed that it was open to all students.

A letter was read from Monterey Peninsula college thanking the Hartnell student body for the

Home Economists Look Over Local Dairy Creamery

The Hartnell college home economics class under the direction of Miss Gladys Schmidt recently toured the Golden State Creameries in Salinas.

The group followed the process of bottling milk from the time it was brought in from the local dairies until the time it was loaded on trucks for distribution. The process of pasteurization and homogenization was explained to the group.

Later in the day the group visited Andros and Sproles jewelers in Salinas and discussed the differences between sterling silver, plate silver, and stainless steel.

In the near future Miss Schmidt plans tours to Carmen's Gift and China Shop and also to Messick's hardware where the group will receive points on the buying of china and glassware.

Executive Board Of A.G.S. Meets To Plan Schedule

The executive committee of Alpha Gamma Sigma met Monday to discuss the spring schedule of forthcoming events. At this meeting plans were drawn up for a recreational trip to San Francisco. The group set today for the initial meeting of the constitutional revision committee and briefly discussed the state convention of March 20.

Alpha Gamma Sigma executive officers in attendance were: Cliff Pletschet, Bob Irvine, Eugene McMaster, Dorothy Garcia and Eileen King.

"good time" at the dance Feb. 11 in the "beautiful new union."

The commissioner held a special session last week to clear a heavy genda which had accumulated over a period of two weeks. Two meetings prior to that had been dominated with discussion on the Hartnell-M.P.C. football contract.

Other Business Noted

Business transacted at the gathering included:

Requesting the head yell leader to secure a Hartnell entrant for the Colmo del Rodeo parade in July.

Authorizing the budget committee to reinvest matured bonds.

Approval of Donald Adamson as commissioner of finance for next year. Adamson's name was presented by the Hartnell business department and he is currently assisting in the finance office.

Panther's Claw

By CLIFF PLETSCHE

SO MUCH APPLESAUCE: The Hartnell Harmonettes entertained at a fireman's ball in Watsonville a couple of weeks back where a door prize was in the offering. Merri Irving, one of the Harmonettes, was chosen to draw the winning number. Out of the hundreds of stubs she drew her own. Aw c'mon now. . . . Coach Blue to Halfback Daryl Goodwin: "Go on a diet or I'll make a guard out of you!" . . . Only eyes for each other: Martin Wenks and Carolyn Zuckswert (Santa Cruz). . . . Sam Walters asked Eugenia Yonce a r-e-a-l personal question in the caf the other day and it took three students to restrain her from throwing a sugar dispenser at him. . . . Don Long, who once attended U.C., and has changed his major five times, has new woe. He's bedridden with rheumatic fever. He'll be out of school for months. . . . While returning from Centerville in Coach Blue's car, Sam Zuckswert tried to swipe five reflector signs via the front bumper. Craaaash!

THE CELL AND THE BELL: Top Janitor Tony Senko was seen flying a kite in the back campus the other morning. Second childhood? Elden Dellanina engaged in a contest not long ago in our caf and set a new regional record. He consumed 13 hamburgers at one sitting. . . . Jerril (Never-Out-of-Trouble) Kerrick was instructed by Coach Blue during touch-football practice couple weeks back to do a shoulder roll. Well, you know J. K., he did a head roll instead. Lucky thing: he might have hurt that shoulder. . . . Returnees after a semester of loafing or working: Ron Chaddock, Larry Musial and (fer heaven's sake) John Georgalos. Must be J. G.'s fifth year at least. Oh well, he's having fun. . . . Ervin Schnorf also set a new regional (maybe world) record not long ago when he bowled a total of 3 at a local bowling alley. Yes, THREE. Imagine, the best have topped him a hundred-fold. . . . Billy Graham is enrolled at Hartnell.

. . . And familiar things are the best. Like Coca-Cola. Full of fresh, keen sparkle . . . natural quick energy . . . and it's so pure and wholesome—naturally friendly to your figure. Have it whenever you like.

Critchfield Outstanding For Panther Hoopsters

Coach Ed Adams has named Ron Critchfield, classy freshman guard, as the outstanding Panther basketball player of the 1955-56 campaign and stated he feels the past season was a good one despite the fact the record books shows more defeats than victories.

The Panthers were plagued with bad luck throughout the past season. At one point in the schedule Dick Casper, guard, hurt his shoulder and as a result had to set out a couple of games. Bill Cox, hard driving Panther forward, didn't compete in the Hancock tourney because bad weather delayed his return from Christmas vacation. Greatest loss to the team came shortly after the holiday when both Hal Boutte and Glenn Tucker vacated the ranks.

Critchfield Standout

Critchfield led the team in scoring with 346 total points and throughout the entire season remained a constant offensive threat for the Hartnells, Coach Adams said. Consistently presenting a beautiful floor game, the "Blond Bomber" did a terrific job as a freshman and Coach Adams feels that he has a strong chance of being chosen on the all-conference team.

Counts On Anderson

The seasonal performance of Dick Casper, Critchfield's running mate at guard, and Gus Anderson, freshman forward, also pleased Coach Adams. Adams described Anderson as "a fellow that really came through in the clutches" and stated he expects Critchfield and Anderson to be stalwarts of the 1956-57 hoopsters.

According to Coach Adams, the speed and tremendous driving ability of Forward Bill Cox added greatly to the overall strength of the Panthers. Due to Cox's constant offensive threat of being able at any given moment to drive in and score, the opponents were kept constantly on their toes throughout the season. Cox is expected to return next season.

Bob Stevens, lanky center, played under a disadvantage for most of the season and thus he was a little slow in coming around, Adams commented. Playing second fiddle to Hal Boutte for the greater part of the season, Stevens did, however, prove himself a good ballplayer and a credit to the Panther five. Probably if Stevens had had more playing experience in high school ball, he might have proved himself more of an asset to the team, Adams stated.

Several Other Hopefuls

Others who will be returning to bolster the ranks of the Hartnells next year will be John Vear, Fred Gonzales, Hank Dacuyan, Ron Jones and Marty Munoz. Coach Adams feels these men with more experience will develop into good ballplayers for next year.

Near the end of the season, the Hartnells played together as a unit better than at any other time throughout the course of the schedule. For this reason the Panthers won as many of the later games as they did early ones.

Men who will receive letters for the past season are: Critchfield,

Anderson, Don Lintz, Rodrigues, Cox, Stevens, and Ron Jones.

Seven Receive Jackets

Receiving jackets for their work on the casaba court will be: Critchfield, Anderson, Casper, Cox, Lintz, Stevens and Rodrigues.

The Panthers opened the season by bowing to Citrus, 56-47, in the opener of the Fall tourney. A 65-60 decision over Monterey followed.

In the Coast conference tournament, the Hartnells won one and lost two, defeating Coalinga by a 93-54 margin. The Panthers also had the distinction of being the only team to defeat East Contra Costa, champions of Coast conference in league play. Hartnell won this one by a slim margin, 67-61.

Team Finished Strong

Near the end of the schedule the Panthers got hot and were victorious in three of the final four outings. Wins were over Menlo, San Jose J.C. and Monterey Peninsula college, the latter for the 24th straight time. Lone defeat came at the hands of the San Jose State Frosh, 88-56.

STATISTICS FOR ALL GAMES

Player	TP	Games	Avg.
Cox	236	23	10.2
Stevens	195	26	7.5
Critchfield	346	27	12.8

Rodrigues	53	15	3.7
Munoz	10	10	1.0
Boutte	204	16	12.6
Jones	27	22	1.2
Tucker	146	13	11.2
Gonzales	16	8	2.0
Dacuyan	9	9	1.0

Injuries Hamper Hartnell Golfers; Dinn Is Top Man

This year's golf team probably is experiencing more than its share of misfortune. So far this season Coach Ken Blue has lost two men with injuries and another has dropped out of school. Bob Amburn has joined the navy and the injured two, Paul Hiura and Cliff Johnston, are doubtful starters for the opener at Watsonville June 6.

Number one man this year is Ray Dinn, current Salinas City golf champion; Joe Edwards is in the number two spot; third man is Bob Meyenberg; number four is Ron Critchfield; battling it out for the fifth position are Jerry Tollefson, Bill Cottoa, Ron Bernal and Keith Malech.

The 1956 schedule is: March 6, Watsonville high school, there; March 13, Watsonville, there; April 1, San Jose State Frosh, there; April 8, East Contra Costa, there; April 15, San Jose J.C., there; April 20, San Jose J.C., here; April 22, Monterey Peninsula college, there; April 27, Monterey, here; April 29, Menlo J. C., there; May 4, Menlo, here; May 11, Coast conference finals, San Jose; May 13, State finals at Bakersfield.

Supporters Gain In Basketball Loop

The Intramural Basketball league race seems to be turning into a two team affair with the high scoring 69'ers holding a slim lead over the Supporters.

The 69'ers may have a slight edge since their next games are with cellar dwellers and they have no remaining games with the Supporters or the Ponchos, the number two and three teams respectively, while the Ponchos and Supporters must play each other two more times.

The 69'ers set another record in a recent game with the Wasps. They scored a total of 82 points to 4 scored by the Wasps.

The standings are: 69'ers, 16 points; Supporters, 14 points; Ponchos, 9 points; Nockers, 8 points; Dead Oaks, 8 points; Six-Packs, 8 points; Magoons, 5 points; Wasps, 2 points.

Hart Basketballers Edge San Jose J.C. In Season Finale

Breaking an out of town jinx which has plagued the team all season and kept them from capturing the league championship, Hartnell college basketballers slipped past the San Jose Jaguars, 65-62, Friday in the casaba final.

The Panthers maintained a lead throughout the entire game except for a short sequence in the final minutes of play. Totals as the quarters ended read, 10-6, 31-22 and 47-42 in favor of the visitors.

Chiefly through the work of Ed Brewer and Sunman, San Jose tied the count at 54-54 with eight minutes remaining. Then San Jose promptly took the lead as they pushed through two counters to lead 56-54, but the Hartnells came right back to knot the score at 60 with 34 seconds to play.

Casper Aids Cause

Bill Cox was then fouled and made his first attempt good. The ball failed to drop in on the second toss, but Dick Casper alertly grabbed the rebound and passed to Bob Stevens, Panther center, who aye the shot in for a 63-60 margin. In the action that immediately followed, Gus Anderson, Hartnell forward, was fouled and he made good on both of his tosses.

The Panthers then went on the defensive and after the final buzzer had presumably sounded; Heffner, Jaguar forward, let loose with a long cast which connected. He was

Regli Impressed By Infield; Freshmen Seek Mound Posts

Hartnell college Coach Jess Regli was boasting a strong infield this week as he watched his charges go through preliminary drills in preparation for the first practice baseball games of the year March 9 and 10 with Gonzales high school and the Alumni.

Chuck Felice, Santa Cruz second sacker, is the only veteran in an infield comprised of Joe Jellison, Watsonville, first base; Ted Stacy, Salinas, shortstop, and Arza Dillard, Castroville, third base. Augie Scornaenchi, Salinas, will be the backstop.

Standing out as the ace pitcher for the Panthers is Bill Davidson, Watsonville righthander, who won nine games and batted .400 last season. He will be aided by three

freshmen, Jesse Domingues and Ray Perez, both of Gonzales, and David Esquer, a Palma high school graduate. All are expected to see action in the first two games.

Davidson Fast, Has Control

Regli points out that Davidson has good control and speed. Dominguez has displayed good control, which Esquer, like most south-paws, is a little on the wild side. Commenting on the three freshmen, Regli said they are all small, but have looked good so far. They have the tough assignment of replacing Harold Kolstad, Watsonville star, who will do his pitching for San Jose State college this year.

The outfield for the Panthers is of doubtful quality, Davidson is expected to play centerfield when not on the mound, while the only other sophomore, Chet Amyx, probably will be in right field. Tom Wittman, another Gonzales performer, seems to have the edge in left field, with Larry Menges, former Palma shortstop, fighting to break into the Panther picket line.

Panther Net Team May Be Contender

The Hartnell tennis team looks to be a strong contender for the Coast conference title this year. With two returning lettermen, Lloyd Johnson and Jerry Tollefson, and four freshmen candidates, Don Shirk, Yancy Wyatt, Robert Iwamas and Doug Addison, the team will have good depth and a strong team. The probable lineup for the first match March 6 will be Shirk, Tollefson, Wyatt, Iwamas, Johnson and Addison playing in that order.

The partial schedule for the 1956 season, announced by Coach Darwin Peavy, includes: March 6, Watsonville high school at Hartnell; March 13, San Jose State Frosh at Hartnell; April 5, Watsonville high school at Watsonville; *April 7, Menlo college at Hartnell; *April 21, Monterey Peninsula college at Monterey; *April 28, East Contra Costa at Concord; *May 5, Conference tournament at Menlo Park.

* Indicates conference matches.

awarded the shot, thus accounting for the final total.

Coach Ed Adams felt the victory was an outstanding team effort and praised the work of his starting five all of whom garnered double digits in the scoring column. Anderson copped scoring honors as he totaled 15 markers. He was closely followed by Casper with 14 and Ron Critchfield with 13. Stevens with 12 and Cox with 11 accounted for the remainder of the Panther totals.

This final win gave the Panthers a league record of six wins and four losses and placed them in a tie with San Jose for second place in the conference. In overall competition Hartnell compiled a record of 13 victories against 14 defeats.
